Our Valued Clients and Employees,

This morning, Governor Hogan announced the closure of all Non-Essential businesses in the State of Maryland. Please know that Landscape is Exempt and is considered Essential Business and we will remain open.

We are following the Center for Disease Control protocols and have many of our staff working from home.

Our goal is to take care of our employees and clients to the best of our ability in this time of uncertainty. We will continue to monitor the situation and will make any necessary changes to protect and keep our clients and employees safe.

Thank you,

Kevin McHale  
President
